USEFUL WEBSITES

System for Award Management (SAM): https://www.sam.gov. SAM is the gateway to Government contracts. It is **MANDATORY** for all companies to be registered in SAM before they can receive a Government contract award. During the registration process you will be assigned a CAGE Code and UEI Code unique to your company. If you need assistance with registration, contact your local Procurement Technical Assistance Center (PTAC) (http://www.aptac-us.org/) and they can help with the process.

Procurement Integrated Enterprise Environment (PIEE): https://piee.eb.mil/. PIEE is the primary enterprise, procure-to-pay (P2P) application for the DoD and its supporting agencies.

Eglin AFB Small Business Office: www.eglin.af.mil/units/small-business-office. This website provides informational handouts and other useful links for small businesses. This website is updated on a quarterly basis.

Eglin's Marketing Office: https://www.eglinlife.com/96/index.html. If your company sells products predominantly purchased by Government Purchase Cards, Eglin's Marketing Office offers you a way to market your company through Commercial Sponsorship.

Hurlburt Field's Marketing Office: http://www.myhurlburt.com. If your company sells products predominantly purchased by Government Purchase Cards, Hurlburt Field's Marketing Office also offers you a way to market your company through Commercial Sponsorship.

US Air Force Small Business: http://www.airforcesmallbiz.af.mil/. This website is managed by the Secretary of the Air Force/Small Business Office (SAF/SB). Under the **"Small Business"** tab, you can locate Small Business Specialists within the Air Force and learn about each Major Command (MAJCOM). The potential business opportunities will take you to a list of expiring contracts for the entire Air Force.

Air Force and Space Force Tech Connect: https://www.airforcetechconnect.org/ A place for entrepreneurs, small businesses, industry, academia, military and others can connect with Air Force and Space Force science and technology.

US Small Business Administration: https://www.sba.gov/. This website provides small businesses information and services based on a company's unique business needs. The SBA helps Americans start, build, and grow businesses. SBA provides assistance primarily through four programmatic functions: 1) Access to Capital (Business Financing); 2) Entrepreneurial Development (Education, Information, Technical Assistance, and Training); 3) Government Contracting (Federal Procurement): and 4) Advocacy (Voice for Small Business). SBA provides assistance to small businesses on how to get started, contracting support, and understanding the Federal market place.

SBA SUB-Net website: https://eweb1.sba.gov/subnet/common/dsp_login.cfm. This website provides notices of Subcontracting Opportunities, posted by prime and subcontractors.

SBA Dynamic Small Business Search: http://dsbs.sba.gov/dsbs/search/dsp_dsbs.cfm. This website provides a search engine to locate small businesses. Used by DoD contracting agencies and large businesses as a market research tool to help determine set-aside, look for a specific size category/sub-category, etc.

SBA HUBZone Map - https://maps.certify.sba.gov/hubzone/map#center=39.828200,-98.579500&zoom=5 . This website provides a search engine to locate authorized HUBZone areas.

Network-Centric Solutions-2 (NETCENTS 2) and Small Business Enterprise Application Solutions (SBEAS) Homepage: http://www.netcents.af.mil/. This website provides the NETCENTS-2 Program descriptions and related documents to view. The Air Force purchases all network-centric solutions through NETCENTS 2 contract vehicles (with a few exceptions).

GSA Schedules: http://www.gsa.gov/portal/category/26754. GSA Schedules provide DoD access to millions of commercial supplies and services at volume discount pricing that DoD orders directly from the GSA Schedule contractors. Companies interested in becoming GSA Schedule contractors can find more information by selecting **"How to Sell to the Government."**

Small Business Innovation Research/Small Business Technology Transfer (SBIR/STTR): https://www.sbir.gov/. This website provides open and future solicitations for SBIR/STTR contract opportunities.

National Institutes of Health (NIH) SBIR/STTR: https://seed.nih.gov/small-business-funding This website provides information on the NIH SBIR STTR program.

Doolittle Institute: https://doolittleinstitute.org/ An AFRL Innovation Institute that supports the AFRL Munitions Directorate (AFRL/RW) by working to license and commercialize technologies in the private sector through technology transfer and develop today's students into tomorrow's STEM workforce.

Procurement Technical Assistance Centers (PTAC): www.aptac-us.org. PTAC helps businesses to compete successfully in federal, state, and local government contracting. They provide a wide range of assistance to businesses through one-on-one counseling sessions, classes, seminars, and matchmaking events. Most of the assistance is free of charge.

Florida PTAC Events/Workshops: https://clients.floridasbdc.org/Events.aspx?mode=2&area=Bartow&miles=50&zip=32514&center=41010&topicnum=0&days=90&sort=T&layout=0. Link to search for Florida PTAC and Small Business Development Center (SBDC) events and workshops.

Government Events: https://www.govevents.com/. This website lists Government events located throughout the US for all DoD agencies, State Government, County and City Government, etc.

ThomasNet.com: www.thomasnet.com. This website provides information on multi-media company profiles, new supplier refine options and revolutionary product sourcing by

specification.

Seaport Program: www.seaport.navy.mil. SeaPort Enhanced (SeaPort-e) is the Navy Virtual SYSCOM Commanders' (NAVAIR, NAVSEA, NAVSUP and SPAWAR) integrated approach to contracting for support services. SeaPort-e has made electronic procurement of Engineering, Financial, and Program Management support services a reality. The SeaPort-e provides an efficient and effective means of contracting for professional support services and enhancing small business participation.

FedConnect: https://www.fedconnect.net/FedConnect/default.htm. FedConnect is a one stop location where you can find opportunities for federal contracts, grants, and other types of assistance funding. FedConnect can supplement postings on FedBizOpps and Grants.gov.

Air Force Freedom of Information Act (FOIA) - http://www.foia.af.mil/. This website provides the Air Force FOIA handbook, which tells you how to obtain information from the Air Force and the different ways to do so.

Links to other Government Small Business Offices:

DoD Office of Small Business Programs (OSBP): https://business.defense.gov/ DoD OSBP provides information on doing business with the DoD; programs managed by DoD OSBP (i.e. Mentor- Protégé, SBIR/STTR, and Indian Incentive Program); policy on small business initiatives; areas of potential small business growth; etc.
