

Eglin AFB Environmental Commitment Statement

→ **96 TW**

- The 96th Test Wing provides testing and evaluation of state-of-the-art weapon systems and cyber capabilities to satisfy diverse customer requirements through use of our world-class facilities, expertise and support resources.
- Regional/local environmental concerns include occasional noise from aircraft/munitions and encroachment issues throughout the Eglin reservation.
- We commit to:
 - Manage our natural and cultural resources to ensure sustained access for our mission
 - Integrate environmental issues into our decision making, recognizing that mission concerns might affect the course of action
 - Proactive compliance with relevant environmental legislation and regulations
 - Ensure our actions, products and services are sensitive to community concerns
 - Perform our mission in a responsible manner to reduce or eliminate pollution
 - Educate and train our workforce in the use of environmentally conscious practices, emphasizing that no matter what their roles are, all Eglin employees are responsible for protecting the environment
 - Strive for continual improvement in our environmental performance
